DECLARATION OF
EDWARD LIN

OCEANIC BRIDGE INTERNATIONAL,
INC., d/b/a OCEANIC BRIDGE INTL, INC.
DALIAN BRANCH, a/k/a DALIAN
OCEANICBRIDGE INTERNATIONAL
FORWARDING CO., LTD.,

Defendants.

-----x

I, EDWARD LIN, declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct:

1. I am Edward Lin, to be in charge of chartering business in Dalian Oceanic Bridge International Forwarding Co., LTD. ("Dalian") over 10 years.
2. I make this Declaration based upon my personal knowledge of the facts and matters stated herein.
3. I shall refer in this declaration to the attached Exhibits "A"-“E”, which are true copies of documents which are relevant to this matter.
4. Dalian has been engaged chartering for many years. It is the exclusive agent of DongBei Special Group (the biggest special steel manufacturer in China). We have very good relationship with most of famous owners, such as: CP; K-LINE; TBS; HYUNDALI; DAEWOO.
5. In August 2006, Penavico Yingkou introduced me Mr. Frankie Tang from Nepa Shipping HK Limited ("Nepa"). So I phoned him and asked him about the background of Nepa.
6. As nothing known about Nepa, I did not do any business with Nepa. But Mr. Frankie often called me to find any business chance.
7. In October 2006, when I stopped by Hong Kong, I visited Nepa office and first touched with Mr. Frankie Tang. He gave me his business card which he is

from Nepa, and I saw he is seating in the office of Nepa. (**See Exhibit A.**) So his declaration that he is a broker with Honour Link Limited is not true.

8. In December 2006, Dalian and Nepa began to try first 12000MT steel round bars from Xingang, China to Ravenna, Italy, Nepa took one more months for seeking vessel, finally a 27 year-old vessel "Eleni K" (based on fixture note, Max 25 year-old) confirmed.
9. Before the final confirmation of the fixture note, Mr. Frankie told me that his boss need all three Business Licenses of investors of Dalian. I mailed him one of investors (Oceanic Bridge International, Inc) and told him that investor's head office located in Los Angeles.
10. On 22 December 2006, I got the fixture note from Nepa, but I found the wrong owner and charter names appeared. (Med-Asia and Oceanic Bridge International Inc. Dalian Branch). So I called Mr. Frankie Tang back and asked him what happened at 16:30. He told me that "Med-Asia" is as same as Nepa. They used two business name, just because it is to avoid so many lawsuits. I pushed him to correct the charter name to "DALIAN." Also I sent an e-mail to him at 16:35. (**See Exhibit B.**)
11. Later, I called him to correct it into change "DALIAN" at 16:56 again. He clearly confirmed that fixture note was between Dalian and Med-Asia. He went out for dinner with his mother. (**See Exhibit C.**)
12. Dalian signed that Fixture note and stamp on behalf of Dalian.
13. After sailing, we got the invoice which it showed to: Dalian, and Dalian paid them full amount based on the fixture note. (**See Exhibit D.**)
14. For the next vessel "CARAVOS GALAXY", we also informed Nepa correct the charter's name from "Oceanic Bridge International, Inc. Dalian Branch" to "Dalian".
15. On May 2007, Mr. Frankie and Mr. Jan visited Dalian office, I gave Mr. Jan my business card (**Exhibit E**). It clearly shows I am from Dalian. The copy Mr. Frankie Tang & Mr. Jan Klappstein declares are not true.
16. Dalian and its investor "Oceanicbridge" share the same e-mail system, it does not mean they are from one same company. Same as millions people to use @yahoo.com.

17. I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

**DECLARATION OF
MA LIJUN**

OCEANIC BRIDGE INTERNATIONAL,
INC., d/b/a OCEANIC BRIDGE INTL, INC.
DALIAN BRANCH, a/k/a DALIAN
OCEANICBRIDGE INTERNATIONAL
FORWARDING CO., LTD.,

Defendants.

-----x

I, MA LIJUN, declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct:

1. I am the General Manager of Dalian Oceanic Bridge International Forwarding Co., LTD. ("Dalian").
2. I make this declaration based upon my personal knowledge of the facts and matters stated herein.
3. I shall refer in this declaration to the attached Exhibits "A"-“E ”, which are true copies of documents which are relevant to this matter.
4. I graduated from Dalian Maritime University. I have 15 years experience working in maritime and chartering.
5. I did know Mr. Frankie Tang from Nepa Shipping Agency (HK) LTD ("NEPA") via their agent -- Penavico Yingkou.
6. As I knew nothing about NEPA in the beginning, so we (Dalian) hesitated to do business with NEPA.
7. Mr. Frankie from NEPA sent NEPA's schedule almost every week, sometimes called me back to seek cargo.
8. After Mr. Edward Lin visiting NEPA on Oct. 04, 2006, Dalian began to try first shipment with NEPA. And NEPA took one more months to find a 27 year-old

vessel named "ELENI K" (It did not meet the fixture's requirement Max 25 year-old).

9. When Dalian got first fixture note on Dec. 22, 2006, it showed between "Med-Asia" and "Oceanic Bridge International, Inc, Dalian Branch." I pushed Mr. Edward Lin to do correction. Also I called Mr. Frankie Tang from NEPA by myself. I was told by Mr. Frankie Tang that "Med-Asia" and "NEPA" is the same business. "Med-Asia" is just to avoid many lawsuit. I insisted to change the charter from "Oceanic Bridge International, Inc." to Dalian. Mr. Frankie Tang clearly stated that fixture note was between "Med-Asia" and Dalian. He could not do correction due to the dinner with his mother that evening. So I signed the fixture note on behalf of Dalian and stamp the seal of Dalian.
10. After the cargo on board, NEPA billed and mailed the invoice (Total amount \$749,316.32) to the office of (Dalian) through NEPA's agent. Dalian paid full amount based on fixture on time. Their invoice showed "To: Dalian" (**Exhibit A**).
11. For the next draft of fixture note, NEPA tried to use "Oceanic Bridge International, Inc, Dalian Branch" as the charter again. Finally corrected by our requests. (**Exhibit B**).
12. Edward Lin sent the business License of Dalian to NEPA on Dec. 22, 2006. (It was verified by Mr. Frankie Tang's declaration—his Exhibit A). It clearly shows Dalian is a joint venture company. (**Exhibit C**). Also I told Mr. Frankie Tang all of Dalian's background, that "Oceanic Bridge International, Inc." is one of the investors only.
13. Refer to Mr. Frankie Tang's declaration, Mr. Frankie Tang said he is a broker with Honour Link. This is not true. He contacted with me as NEPA and showed me his business card that was from NEPA. (**Exhibit D**). When Mr. Jan Klappstein and Mr. Frankie Tang visited Dalian on May 09, 2007, he introduced Mr. Jan Klappstein to me as his boss.
14. In Mr. Jan Klappstein's declaration term 13, Mr. Jan Klappstein mentioned Oceanic Bridge is liable for detention damages (Eleni K) in the sum of US\$234000. It is not correct. The fixture note was signed and acted between Dalian and MED-ASIA.
15. In Mr. Jan Klappstein's declaration item 14, Ma Lijun's business card is not correct. It is not mine. I gave him my business card (**Exhibit E**) I am from "Dalian Oceaic Bridge Int'l Forwarding Co., LTD."

16. During the meeting with Mr. Jan Klappstein and Mr. Frankie Tang in Dalian, Mr. Jan Klappstein asked me if NEPA could negotiate the detention argument with Oceanic Bridge International, Inc., instead of Dalian. I told him that Oceanic Bridge International, Inc. is only one of investors of Dalian. Dalian is an independent company based on the Law of PRC.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.
